

## Fresh, vitamin rich, Colorado Peaches!

Youth For Christ is offering succulent and juicy peaches and best tasting Pecans from our exclusive Georgia & Colorado orchards as a fund raising opportunity that supports our mission to reach every kid...one at a time! The fruit is tree ripened, picked, boxed and shipped in one operation. We receive fruit literally hours from the time it is taken from the tree. **The result is the freshest peaches around.**

### ARRIVAL DATES

At this time exact arrival dates and times are for planning purposes. We will track shipments and update our peach web page with latest information.
